I, the under signed, herewith declare that;

My subscription as member of NSA is fully paid and up to date;	
I participate in hunting and related activities;	
I have successfully completed the theoretical and practical evaluation as prescribed and presented under the NSA's Dedicated Award Scheme;	
I have submitted proof of a NSA accepted qualification of equal status for recognition of prior learning (RPL), and apply to be awarded Dedicated Status with the NSA based on this submitted proof	
I am a professional hunter, and that I have submitted relevant and applicable proof of my qualifications in this regard, and apply to be awarded Dedicated Status with the NSA based on this proof	

I know and understand that in terms of Section 16 of the FCA (Act 60 of 2000 as amended + Regulations 2004), I may not conduct business with the firearms I have licenced based on Dedicated Hunter Status;

I understand that it is entirely **my own responsibility** to annually conduct the necessary activities as accepted by the NSA to maintain my Dedicated Status with the Association;

I understand **that if I do not submit my annual dedicated report** to the NSA office by the last day of November annually, that the NSA has to inform the SAPS (CFR) in their annual report of the fact that I have not submitted an annual report and that I would then have forfeited my dedicated status with the Association due to my own actions or lack thereof - (it then remains my responsibility to complete the necessary SAPS 521(c) and to submit it to my DFO);

I may return a no-activities report for a specific year and that my dedicated status will not be in jeopardy because of that, but that I must furnish good reasons why I have for a second consecutive year returned a no-activities report;

I understand that the maintenance of my dedicated status with the NSA is entirely **my own responsibility**, and that I can have no claim against the NSA, any of its affiliates or associates or any of its personnel or officers whatsoever, should I lose my dedicated status because of non-compliance of any of the above by Law prescribed processes;

By my signature below, I acknowledge that I have read the contents of this statement, that I understand the content thereof and the implications related to my non-compliance there with.
