I, the under signed, herewith declare that;

| | | | | |
|--|--|--------|----|-------------|
| My subscription as member of NSA is fully paid and up to date; | | | | |
| I participate in sport-shooting and related activities (i.e. NSA In-House postal shoots); | | | | |
| I have successfully completed the theoretical and practical evaluation as prescribed and presented under the NSA's Dedicated Award Scheme for Dedicated Sport-shooters; | | | | |
| I have submitted proof of a NSA accepted qualification of equal status for recognition of prior learning (RPL), and apply to be awarded Dedicated Sport-shooter Status with the NSA based on this submitted proof | | | | |
| I have submitted proof of participation in the 2008 National Postal Competition or in two In-House postal shoots before 30 March 2009, and apply to be awarded Dedicated Sport-shooter Status with the NSA based on this submitted proof | | | | |
| I know and understand that in terms of Section 16 of the FCA (Act 60 of 2000 as amended + Regulations 2004), I may not conduct business with the firearms I have licenced based on Dedicated Sport-shooter Status; | | | | |
| I understand that it is entirely my own responsibility to annually render proof of participation in three NSA In-House postal shoots by forwarding the necessary shot targets, and that these will taken to be my annual report of activities in order to maintain my Dedicated Sport-shooter Status with the NSA - if I do not submit these shot targets I shall submit written reasons for non-participation as my annual report; | | | | |
| I understand that if I do not submit my annual dedicated sport-shooter report to the NSA office by the last day of November annually, that the NSA has to inform the SAPS (CFR) in their annual report of the fact that I have not submitted an annual report and that I would then have forfeited my dedicated sport-shooter status with the Association due to my own actions or lack thereof - (it then remains my responsibility to complete the necessary SAPS 521(c) and to submit it to my DFO); | | | | |
| I may return a no-activities report for a specific year and that my dedicated sport-shooter status will not be in jeopardy because of that, but that I must furnish good reasons why I have for a second consecutave year returned a no-activities report; | | | | |
| I understand that the maintenance of my dedicated sport-shooter status with the NSA is entirely my own responsibility , and that I can have no claim against the NSA, any of it's affiliates or associates or any of it's personnel or officers whatsoever, should I loose my dedicated sport-shooter status because of non-compliance of any of the above by Law presecrbed processes; | | | | |
| By my signature below, I acknowledge that I have read the contents of this statement, that I understand the content thereof and the implications related to my non-compliance there with. | | | | |
