

Range Etiquette Reminder for

Natshoot Members

As ambassadors for responsible firearm ownership, Natshoot members are encouraged to observe the following best practices whenever visiting a shooting range:

Safety First

- Always comply with the range's safety rules and the instructions of the Range Officer.
- Keep firearms always pointed in a safe direction.
- Ensure firearms remain unloaded except when on the firing line and instructed to load.
- Use appropriate eye and ear protection.
- Remember your closed shoes

Respect the Range

- Remove all targets you have placed once shooting is complete.
- Dispose of used targets, backing material, and other rubbish in designated bins.
- Collect and dispose of spent ammunition boxes, packaging, and other personal items.
- Leave the shooting area cleaner than you found it.

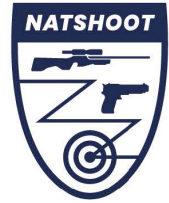

Respect Fellow Shooters

- Be courteous to other range users.
- Avoid unnecessary distractions while others are shooting.
- Wait for the range to be declared safe before going forward of the firing line.
- Follow established procedures during ceasefires and range inspections.

Protect Range Equipment

- Only engage targets approved by the range.
- Do not intentionally damage target frames, structures, benches, or other range facilities.
- Report any damaged equipment or unsafe conditions to range staff.

Be a Positive Ambassador

- Remember that your conduct reflects not only on yourself but also on the broader shooting community.
- Demonstrate responsible, safe, and professional firearm handling at all times.
- Treat range staff, visitors, and fellow shooters with respect and courtesy.

Before You Leave

- ✓ Firearms cleared and made safe
- ✓ Targets removed
- ✓ Brass collected where required by the range
- ✓ Shooting station cleaned up
- ✓ Range equipment returned to its proper place

By following these simple guidelines, we help maintain excellent relationships with range operators and ensure that shooters continue to be viewed as responsible, safety-conscious members of the community.
